

FAITH IN ACTION ADOPT-A-DAY 2009

YES! We would like to join as a Faith in Action Adopt-A-Day Partner

Faith in Action Adopt-A-Day allows your faith group to make a financial contribution to sponsor volunteers to help build a Habitat home for one day. Your group will work under skilled leadership on one of our houses in progress. We encourage a minimum contribution of \$40.00 per person. Faith in Action Adopt-A-Day contributions support HFH Detroit Construction, Family Services, and Volunteer programs and are recognized as Supporting Faith Partners.

It's an excellent outreach ministry and also great for team-building. Thank you for your commitment and partnership
